Dear Sir/Madam:

In response to a Notice to File Missing Parts of Non-Provisional Application dated February 5, 2004, Applicant, on February 20, 2004, responded by providing a copy of the Notice to File Missing Parts, together with a Declaration signed by the Inventor and a check in the amount of \$65.00. In reviewing the February 20, 2004 submission, Applicant noticed that the signed Declaration provided in the submission included page 2 of 2 only. Note that page 2 of 2 included the Inventor's signature, the actual Declaration text, and the signature date of the Declaration. As an oversight, Applicant failed to provide page 1 of the Declaration.

In discussing the situation with customer service representative Preston Wallace, Mr. Wallace recommended that we simply fax the page 1 of the Declaration. In compliance with that recommendation, attached hereto is page 1 of 2 of the Declaration submitted on February 20, 2004. It is Applicant's understanding that no further action is needed.
